Dear Sir

**The Town and Country Planning (Scotland) Act 1997**

**Consultation on an application**

**RE: Land at Binn Farm Glenfarg Perth PH2 9PX. Proposed development of an energy from waste plant together with a materials recycling facility, associated infrastructure and landscaping works**

Glenfarg Community Council wishes to lodge a holding objection to this application.

This Council requires more time to investigate items in the Environmental Statement and to canvass local opinion. It is likely that our objections will centre round the topography, emissions and inversion, control of the incineration process and monitoring of the facility and processes.

SITA are planning to hold an exhibition and public meeting in Glenfarg sometime in September and the Council should be in a position to detail its objections after that.

Yours faithfully

Alex Johnston  
Secretary  
Glenfarg Community Council

CC: Cllr Kathleen Baird
