

Binn Farm Newsletter, 16 January 2010 - Binn polytunnel presentation, 3 Feb

Dear Binn Farm Campaigner

There will be a presentation by Binn Eco Park of their polytunnel proposals at the Mason's Hall, Abernethy, Wednesday 3rd February at 7pm. The purpose of the polytunnels will be to use secondary heat from the proposed incinerator, which would otherwise go up the lumb.

Regards,

Michael
