

Binn Farm Newsletter, 10 August 2007

Dear Campaigner,

It seems that Perth & Kinross Council has in fact ignored the Scottish Executive's suggestion that it should form a joint waste plan with Fife Council and Forth Valley authorities. Instead it is sticking with its earlier decision to go it alone, and allow a waste incinerator at Binn Farm. The Scottish Executive has until 28 August to decide whether or not to allow this to happen. **PLEASE EMAIL SCOTTISH MINISTERS TO EXPRESS YOUR OPPOSITION TO THIS.**

N.B. When you have a spare moment (e.g. now), please sign the [petition](#).

All the best,

Michael
